

**TANDA ZAP AND BRITTNY GASTINEAU
ARE TEAMING UP TO HELP YOU
STAY SOCIAL**

Tända Zap, the new must-have beauty device, is proud to announce an exclusive partnership with socialite Brittny Gastineau. No one knows staying social like it-girl Brittny Gastineau. From **on-air appearances to red carpet photo-ops**, Brittny has no time for blemishes so when the starlet sees a spot, she reaches for her Tända Zap. This summer, **Brittny is spilling all her fashion and beauty secrets on the Tända Zap blog**, offering readers inside access to her A-list lifestyle. Starting on June 22, 2011, fans can follow Brittny and learn how she keeps her skin clear amid all the chaos.

Tända ZAP targets individual blemishes for visible results within 24 hours allowing you to stay in the game and stay social. No more cancelled dates or nights out with friends because of an ill-timed pimple. This portable hand-held zit zapper **harnesses the unique combination of light, gentle warming and sonic vibration** to get rid of your pimples fast! Tända Zap is a safe, effective, portable acne spot treatment that you can use anywhere.

ABOUT TANDA: Tända™ has pioneered light therapy treatments at both the professional and at-home level. Innovative Tända™ tools effectively treat two skin conditions: acne and signs of aging, providing affordable, non-invasive light therapies for natural skincare and tissue repair.
